We have developed this privacy notice to inform you about our collection, use, and disclosure of personally identifiable information and non-personal information we receive from users of flocabulary.com, nearpod.com or related Renaissance websites where this Privacy Notice appears, including users accessing such website through content provided via emails from Renaissance (collectively, the “**Website**”).

Users of the Nearpod product must agree to the [Terms of Use and License Agreement](#), also available on the Website and at log-in.

This Website is intended for users from the United States. For visitors from the European Union, please use renlearn.co.uk, which is governed by a different privacy notice.

Unless otherwise defined in this Privacy Notice, terms used in this Privacy Notice have the same meanings as in our [Website Terms of Use](#).

Information Collected on this Website

When you access or use the Website, we may collect two types of information: (1) personally identifiable information; and (2) information that is not personally identifiable. Personally identifiable information includes information that identifies you personally, alone or in combination with other information available to us. Examples of personally identifiable information may include an individual’s name, address, telephone number, email address, and school or district information.

As part of the standard operation of the Website, you may submit personally identifiable information. For example, when you create an account, you may provide personally identifiable information. In addition, should you attempt to communicate with Renaissance via the Website, email, phone, or response cards, you may provide us with personally identifiable information, and we may keep your message, email address, contact information, and other personally identifiable information. At your option, you may provide additional personally identifiable information about yourself. When you visit the Website, however, you are not required to create an account with the Website or provide any personally identifiable information.

As part of the standard operation of the Website, we also collect non-personal information from you, including your browser type, operating system, IP address and the domain name from which you accessed the Website. In addition, we may collect information about your browsing behavior, such as the date and time you visit the Website, the areas or pages of the Website that you visit, the amount of time you spend viewing the Website, the number of times you return to the Website, the referring web page, pages visited, location, your mobile carrier, device and application ID’s and other click-stream data.

- Contact you when necessary;
- Respond to you regarding information you have requested;
- Communicate with you regarding Renaissance or the Website;
- Provide you with customized content and advertising for various products or services;
- Administer the Website, monitor its usage, and diagnose problems with it;
- Remember you when you return to the Website, so that you don't have to re-submit information and preferences;
- Contact you with information and promotional materials and offers from us as well as from our affiliates, partners and other third parties, if you have agreed to receive such communications;
- Conduct research to improve our content and services; and
- To protect the security or integrity of the Website and our business.

In addition to the examples above, Renaissance may use third-party storage, analytics, credit card processing companies, hosting companies, email service providers, marketing service providers, or Internet service-provider companies to perform some functions including the processing of data. Renaissance may also disclose information to protect our rights or property, to enforce our terms of use and legal notices, as required or permitted by law, or at the request of government regulators or other law enforcement officials and the courts (including the issuance of a valid subpoena). We shall have no duty to notify you of such compliance with the law.

Renaissance may sell, transfer, or otherwise share some or all of its assets, including your personally identifiable information, in connection with a merger, acquisition, reorganization or sale of assets or in the event of bankruptcy.

We have the right, but not the obligation, to: (1) retain your personally identifiable information for as long as your account is active or as needed to provide you services or access to or use of the Website; and (2) retain and use your personally identifiable information as necessary to comply with our legal obligations, resolve disputes and enforce our agreements. We have the right, but not the obligation, to retain your non-personal information whether your account is active, inactive, or deactivated.

Subject to the usage of the third-party service providers discussed above, we do not intentionally or knowingly allow other parties to collect personally identifiable information about your online activities over time and across different websites, when you visit the Website, or use any of the services offered on the Website. Cookies

Like many websites, we may use "cookies" to collect information. A cookie is a small data file that we transfer to your computer's storage device for record-keeping purposes. We use cookies for two purposes: First, we utilize persistent cookies to save your login information for future logins to the Website. Second, we utilize session ID cookies to enable certain features of the Website, to better understand how you interact with the Website and to monitor aggregate usage by users and web traffic routing on the Website. Unlike persistent cookies, session cookies are deleted from your computer when you log off from the Website and then close your browser. Third-party advertisers on the Website may also place or read cookies on your browser. You can instruct your browser, by changing its options, to stop accepting cookies or to prompt you before accepting a cookie from the websites you visit. If you do not accept cookies, however, you may not be able to use all portions of the Website.

Web Beacons

We also use "web beacons," "pixel tags," "clear GIFs" or similar means (individually or collectively "Web Beacons") on our Website. A Web Beacon is an electronic image, often a single pixel, embedded on web pages. Web Beacons are ordinarily not visible to users. Web Beacons allow us to count the number of users who have visited certain pages of the Website, to deliver branded services, and to generate statistics about how our Website is used.

Email Lists

Renaissance maintains email lists to keep interested parties informed about our company, events, products, support, and more. We do not sell the addresses on our list, but we may make information available to specific business partners, sponsors, or service providers.
